PARTNERS WITH
LS RETAIL

OUR PARTNER; LS RETAIL 30 YEARS OF EXPERTISE

LS Retail is the global leader in retail & hospitality solutions for Microsoft Dynamics.

LS Retail has been developing software solutions for retail, hospitality, food service and forecourt businesses for nearly three decades. Today, the LS Retail unified commerce management systems power tens of thousands of retail stores, restaurants and gas stations in over 125 countries. LS Retail customers range from small to large retailers, including several of the best-known global brands in fashion, grocery, electronics, jewelry, furniture, pharmacy, duty free, food service and more.

Reduce complexity with unified commerce.

The LS Retail solutions unite all the functionality a retail and hospitality business needs within *one system*. As a result, you can run your whole business within a single, unified environment, from financials to inventory to Point of Sale to CRM, across the physical, online and mobile stores. By removing the need for costly and complex integrations, the LS Retail solutions have helped thousands of businesses cut IT costs and gain complete visibility over their whole enterprise. A single source of information also means that you get faster communication, make fewer mistakes, and get more precise data, so you can take crucial business decisions timely and confidently.

Flexibility is key in retail. The LS Retail systems can be deployed on-premises, in the cloud or as hybrid solutions, with the mix that suits each business best.

WORKING TOGETHER NATIONWIDE EXPOSURE

ECA Ltd. and LS Retail

ECA Ltd. an ArcherPoint Company is a certified LS Retail partner. Our employees have passed rigorous, official training by LS Retail, and are certified experts in implementing the LS Retail solutions. Add that to 20 years of expertise in the retail and hospitality industry in Canada: the result is a team who can help you find the best way to adapt LS Retail to your very specific needs, so you can deliver success from day one.

Thanks to the partnership with LS Retail, you get the best of both worlds: a reliable, proven solution with deep industry functionality, and the 24-7 support you need to reduce implementation time and project risk. So you can be up and running on a stable, strong software solution as quickly as possible.
